

Dear Voter with NO PARTY AFFILIATION:

I am **Isaac Feldman**, candidate for Sunny Isles Beach City Commissioner Seat 4, a Fiscal Conservative and successful small-business owner. While serving on the Mayor's Advisory Committee of Sunny Isles Beach I have consistently demonstrated strong leadership as well as knowledge and understanding of the complex issues facing the **CITY WE ALL LOVE**.

Like you, I am affiliated with NO POLITICAL PARTY. Unlike us, my opponents are both registered as members of one of the major parties. They are each clearly part of a bloc of three, whom if elected will comprise a dangerous majority on our commission.

You will soon receive your absentee ballot for the November 2nd General Election. I respectfully request that you seriously consider voting for **Isaac Feldman # 189** on your ballot.

Thank you,

A handwritten signature in black ink that reads "Isaac Feldman". The signature is written in a cursive style with a long, sweeping underline that extends to the right.
