

# Aelion the Flip-Flopper : Chasing Votes At Any Cost

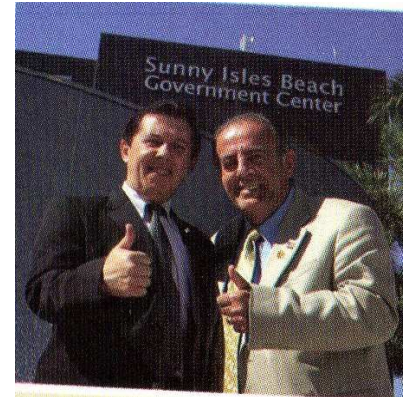

Remember? Before November 2<sup>nd</sup>, Isaac Aelion had this to say about his (now former) opponent:

**BEFORE YOU VOTE FIND OUT THE TRUTH  
ABOUT ISAAC FELDMAN**

1. Was removed from City Advisory Committees 3times in 2007, 2008, 2009 because he almost NEVER attended Committee meetings
2. He also almost NEVER attended any City Commission or City Budget meeting
3. Was NOT endorsed or supported by any City of Sunny Isles Beach Commissioners.
4. Signed a lease to live in Sunny Isles Beach (District 4) just a couple of days before deciding to Represent the same District and apply for Commissioner.
5. You must wonder by now why he really put his Name to run for Commissioner.

*(This text is quoted directly from one of Isaac Aelion's mailings in the previous election. You can see the entire page at [www.sibreporter.net](http://www.sibreporter.net))*

Today, he claims to be proud to have the endorsement of the same man.

*Why, Mr. Aelion, are you proud to have the endorsement of a man who has been removed from City Advisory Committees and manipulated the rules to qualify as a candidate? Are you really proud, or **are you shamelessly trying to capture his supporters? Is this your idea of a "meaningful and sustainable solution to a problem?"** Voters have already told you: **NO THANKS!***

*Vote for Integrity*

**Jeniffer Viscarra #190**

*Proudly Endorsed by the Dade County Police Benevolent Association*

*Your City, Your Voice*
